

The West Fork Youth Camp is situated on twenty-five acres of beautiful ranchland. There are lots of deer, wild turkey, raccoons, birds and other wildlife which provide a much needed experience for today's young people so used to city life. You can take a short hike if you like, pick wildflowers, go on a hayride, sit by the campfire, participate in several sports or, on occasion, just sit in the shade to rest, think or visit with a friend.

The purpose of the West Fork Christian Education Board is to touch lives so that in turn the world might be impacted. The board believes that it can be used to touch lives by:

- ❖ Offering a country lifestyle away from the fast pace of city life

The West Fork Christian Education Board feels that they have a high calling from God to use the West Fork Youth Camp and its facilities as holy ground dedicated to reaching and winning of lost souls, assisting in the recovery of youth troubled by alcohol and drug abuse, giving Christian nurturing to youth from battered and broken homes and displaying the love of God to people of all ages, ethnic backgrounds and physical limitations.

## Camp Bible Classes

Younger campers this year will be treated to five days of Bible teaching based on the theme:

**“Take the Plunge.”**

- ❖ Plunge into Obedience
- ❖ Plunge into Worship
- ❖ Plunge into Courage
- ❖ Plunge into Faith
- ❖ Plunge into Service

To help each camper understand the lesson and know how to apply it to daily life there will be exciting activities planned for each class. There will be an additional emphasis on community outreach for the teens. To state it simply, camp classes are fun and exciting!
